

SUGARLOAF

I was a bit nervous about having my tooth extracted (due to the 2-hour-per-tooth ordeal I was subjected to when having 2 others pulled). With the help of Ming and Daisy, [Dr. Jo](#) had me on my way in 30 painless minutes and I have never had a better experience doing something that no one enjoys!

DOUGLASVILLE

[Dr. Treadway](#) is personable kind person. He keeps you at ease when talking to you. He does great work in his profession. I would definitely recommend Atlanta Oral Surgeon to anyone who is in need of mouth surgery, a biopsy or just plain old tooth pulling. 😊

CUMMING

[Dr. Meaders](#) and his staff at Atlanta Oral & Facial are amazing. I have had 2 dental implants with them and both times they were very professional and I had little to no pain.

WOODSTOCK

The best care that I have received by any medical team. They sent flowers to me after my procedure and they took me right on time, no waiting. [Dr. Wunderle](#) and staff are the very best!

DECATUR

[Dr. Cole](#) and his staff are all extremely helpful and friendly. Nicole was my surgical assistant and she went above and beyond expectations. Quite frankly, Nicole serves as an exemplar leader and should get a promotion. She makes you feel like a part of a family. If you like to feel special and important look no further than Atlanta Oral & Facial Surgery. They'll take good care of you.

NEWNAN

[Dr. Jorge Gonzalez](#) is absolutely AMAZING!!!! I was so nervous about my recent oral procedure so I did A LOT of research online first b/c I wanted nothing but the best of the best. [Dr. Gonzales](#) was very knowledgeable and the team at AOFS in Newnan were most helpful, friendly, and accommodating. They made oral surgery for me a breeze and I had no complications, pain, or problems afterwards... If you are considering a good oral surgeon for your oral procedure(s) then I personally recommend [Dr. Gonzales](#).

CARTERSVILLE

I had an abscessed tooth for the first time in my life. My dentist sent me to Atlanta Oral Surgery in Cartersville, and I met with [Dr. Etezadi](#). He and his staff were so easy to talk with and I asked all the questions I needed answers for. They were attentive and explained everything that would happen with my extraction. They set my mind at ease and I am totally comfortable with them performing this surgery. I appreciated their kindness.

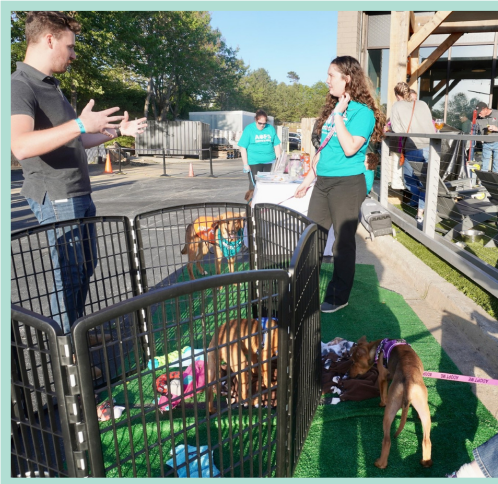

CANTON

[Dr. McGhee](#) was amazing! From the minute he comes in the room you can feel a sense of calmness! Sweetheart of a Dr. He really reassures any thing your concerned about. Also, his staff is amazing too! They are treat you amazing and make you very comfortable! All together I would highly recommend this office!

2023 Event Guidelines

Meaningful staff promotion and participation maximizes the return on events, we look forward to an incredible 2023 calendar of opportunities to showcase AOFS, our surgeons and our staff.

As we grow and continue to refine our events, we wanted to share updated guidelines. We want to continue to encourage you to attend these work events where you can enjoy excellent meals, a few good drinks, and the company of your coworkers while getting to know your referrals and helping your surgeons grow their practices.

Please see the updated guidelines below: 

1. Each event has differing levels of capacity for staff engagement. Your marketing coordinators will share with your offices the number of AOFS staff we can have at each event.
2. If you plan to attend, you need to register at least a week in advance for planning purposes.
3. Each staff member will be given a maximum of 2 drink tickets at each event where alcohol is served.
4. Professional behavior is expected to be maintained at all times while in the presence of referrals & their staff.
5. Taking alcohol shots during the events, regardless of being funded by AOFS, is not considered appropriate.
6. Referral & referral staff engagement is highly encouraged and appreciated.
